

## My Own Way

Pennywise

I got my way of life and I won't back down or apologize  
for things I cannot change guess  
I gotta do things my own way  
And I don't give a damn if you got a problem with who I am  
Cause I don't give a fuck you wanna  
change me well you're outta luck  
I don't think that I could never ever change  
And I don't know if I would want to anyway  
And I don't care if never live to see the day  
We can compromise I'm doing things my own way  
It's so hard to believe that  
we can see the world so differently  
We don't realize cause  
we can't see the world through each other's eyes  
We'll never understand I don't think that anybody can  
I won't change anyway guess  
were both just stubborn stuck in our ways  
I don't care if you never see the world like I do
