Woo why are you being so cautious?
Don't mind them, just have fun
Let's turn it up, lift up your head
Don't worry, this is our secret
Erase all worries tonight
Don't stop, raise the volume
Trust yourself, match your body to the drums
Put away all seriousness, push back all your work
Here, everyone's a winner

Jump till you run out of breath
Don't worry, trust me
Everyone get up and scream
Move your body to the rhythm

Shake it
Oh oh oh oh oh

Oh oh oh
Shake it more
Oh oh oh oh oh
Oh oh oh
It's now or never

Lalala lalala
Trust yourself with the music, that's all right
Lalala lalala
Everyone together, go crazy, all right

Ladies and gentlemen, young and old
Everyone scream, say yeah
Whether you work or you're an heir, I don't care
This is the grand opening of the first party in the universe
Everyone show your inner party animal
No masks

Push back your work to tomorrow
Don't worry, just jump like crazy
Look at me before you breathe
This is our difference
Follow me, raise your hands
It's a day to sing

Jump till you run out of breath
Don't worry, trust me
Everyone get up and scream
Move your body to the rhythm

Shake it
Oh oh oh oh oh
Oh oh oh
Shake it more
Oh oh oh oh oh
Oh oh oh
It's now or never

Lalala lalala
Trust yourself with the music, that's all right
Lalala lalala
Everyone together, go crazy, all right

Eh hey like a clown
Eh oh no laws in here
Eh hey everyone together
Eh oh

Shake it
Oh oh oh oh oh
Oh oh oh
Shake it more
Oh oh oh oh oh
Oh oh oh
It's now or never

Lalala lalala
Trust yourself with the music, that's all right
