Because I'm bad

I'm saying, when you're expressionless
Is probably when it's the most difficult for me, I'm afraid I must've done s
omething bad to you again
I hear you hang out more with someone other than me
But I approve it, so I hurt you bad, baby
Everything got messed up because of my fucking thoughts
I want to love you, but there are more people on top of me
Tell me what should I do
It's a good time for you to do that

Yes, everyone, everything, yes (Yes, everyone, everything, yes)
There are many people that are better than me (But there's no one like you)
I only have you, no more
When everyone leaves me, please go too

Because I'm bad
A wicked love song flowing out, ayy
I was bad to you
When I look up to the sky, I think of our of breakup
As commonly as eating rice is, tears come out, ayy

Please hate me, I'm bad
I wish you happiness
I could never have it
Because I'm bad

You saying you are only seeing me is probably the scariest to me
I'm afraid you'll get hurt again
What can I do if you hear I'm hanging out with someone else? Yeah, I hurt yo

u bad, baby
People come and go again (Oh)
And there is no eternal love (Oh-oh-oh)
Yet again, we spit out painfully harsh words
And just like everyone else, we later get along as if nothing's wrong

Yes, everyone, everything, yes (Yes, everyone, everything, yes)
There are many people that are better than me (But there's no one like you)
I only have you, no more
When everyone leaves me, please go too

Because I'm bad
A wicked love song flowing out, ayy
I was bad to you
When I look up to the sky, I think of our of breakup
As commonly as eating rice is, tears come out, ayy

Please hate me, I'm bad
I wish you happiness
I could never have it
Because I'm bad

It's okay, it's okay
There are a lot of good people
So why am I wearing the scarf you gave me?
It's okay, I'll meet someone who's just like me someday
And I'll be in pain, and I'll regret it
Now I don't hurt you bad

Because I'm bad (Because I'm bad)
A wicked love song (A wicked love song)
Flowing out, ayy
I was bad to you
When I look up to the sky (To the sky)
I think of our of breakup (I think of)
As commonly as eating rice is, tears come out, ayy

Please hate me, I'm bad
I wish you happiness
I could never have it
Because I'm bad
