With no regards to time and place  
In my head, it's only you  
It's like a dream, it's all a blessing  
How can I show you my love  
The sunlight shines on you, thank you  
I whisper to you, I love you more  
What others think is not important at all  
We're perfect just the way we are

Everything is beautiful, just the way you are  
Like the stars that won't turn off  
I'm so proud of you next to me  
Even if I'm born again  
I won't change

You are beautiful  
You are beautiful  
You are a beautiful girl  
I won't let go of you  
You are beautiful  
You are a beautiful girl  
Only stay by my side

We're stronger and more precious than anything else  
Because we came together in faith  
After I realize our differences  
I'll devote myself to you with all I am  
I can taste your care in the lunch you packed me  
In the opening and closing blankets  
We can lay down our love

Every day, we wake up earlier than the sun  
Giving each other our own signals  
With big and small scratches and scribbles  
We are writing our history  
With honest stories  
We'll be each other's mirrors forever  
Be with me, even in the far future

Everything is beautiful, just the way you are  
Like the stars that won't turn off  
I'm so proud of you next to me  
Even if I'm born again  
I won't change

You are beautiful  
You are beautiful  
You are a beautiful girl  
I won't let go of you  
You are beautiful  
You are a beautiful girl  
Only stay by my side

With a love greater than the universe  
We can jump over any kind of pain  
Even if we lack at times  
It's alright, as long as we have each other

How can I show you my love

We started from two completely different places  
Even if not now, we will come together for sure

Even if we have meaningless fights  
Even if we escape this world that traps us  
Until the moment we forever sleep  
Only stay by my side

Everything is beautiful, just the way you are  
Like the stars that won't turn off  
I'm so proud of you next to me  
Even if I'm born again  
I won't change

You are beautiful  
You are beautiful  
You are a beautiful girl  
I won't let go of you  
You are beautiful  
You are a beautiful girl  
Only stay by my side

Like the stars that won't turn off  
Only stay by my side

You are beautiful  
You are beautiful  
You are a beautiful girl  
I won't let go of you  
You are beautiful  
You are a beautiful girl  
Only stay by my side
