

## DO or NOT

## PENTAGON

I don't care, you do or not (Do or not)  
Always with you no matter what you say, yeah, yeah

Say something, will you do or not?  
The silence makes me-me, go-oh insane

Just promise that you won't give up  
If you don't give me a clue, I don't care about you

Uh, playing you like curling (Curling)  
And you look like The Rolling (Stones)  
You're so up and down, hot and cold  
Tell me now 'cause I really wanna, really wanna find out why

I'm going numb, numb  
So make up your mind, mind  
Or do or not  
Do whatever you feel like

Say you want it or not (Hey)  
So will you take the shot? (Oh)  
I don't mind if you do or not (So what? I don't care)

You want it or not? (Hey)  
Come show me what you got  
I don't mind if you do or not (So what? I don't care)

Do, do (Hey)  
Not, not  
You say, do, do  
Or not

Say you want it or not (Hey)  
Will you take the shot? (Oh)  
I don't mind if you do or not (So what? I don't care)

Yeah, can't let it go in my head all day and night (All day)  
If I just pray, I get an answer always (Always)

I don't understand  
How we ended up here, I'm okay  
I will find my way

Going numb, numb  
So make up your mind, mind  
Or do or not  
Do whatever you feel like

Say you want it or not (Hey)  
So will you take the shot? (Oh)  
I don't mind if you do or not (So what? I don't care)

You want it or not? (Hey)  
Come show me what you got  
I don't mind if you do or not (So what? I don't care)

Do, do

(Hey) not, not  
You say do, do  
Or not

Say you want it or not (Hey)  
Will you take the shot? (Oh)  
I don't mind if you do or not (So what? I don't care)

I'll let you go you (Go)  
Can move on without me  
I will try my best  
Best to forget ya'

But I can't deny  
It might take a while

Say you want it or not (Hey)  
So will you take the shot? (Oh)  
I don't mind if you do or not (So what? I don't care)

You want it or not? (Hey)  
Come show me what you got  
I don't mind if you do or not (So what? I don't care)

So what?  
Oh, oh-oh  
Oh, oh-oh-oh  
Oh  
So what? I don't care

So what?  
Oh, oh-oh  
Oh, oh-oh-oh  
Oh  
So what? I don't care

Oh, oh-oh  
Oh, oh-oh-oh  
Oh  
So what? I don't care

So what?  
Oh, oh-oh  
Oh, oh-oh-oh  
Oh  
So what? I don't care
