Love, Fall, Hurt and Crazy

Shhh yeah that's right
Playing with my heart your pretty eyes
Gratatata already Catch me
Playing hard to get Baby your gesture drives me crazy

Please don't fade away, don't leave me
Night that moon falls apart, broken heart
Days after leaving me behind

You'll move on and forget me just like that
Even though I'm in pain

What should I do, oh my, I'm in pain
You are the only one who can heal me
Please come back to me

Hey Dr. BeBe (Could die for you)
If I have only you BeBe (Could go crazy for you)
Stuck inside your wall, struggle to escape, get hurt
But can't get away from the echo

Love, Fall, Hurt and Crazy Again & again
Love, Fall, Hurt and Crazy Love is
Love, Fall, Hurt and Crazy Hey Dr. BeBe
Save me BeBe

Infinite dreams like universe I think I heard your calling
But it's not true
Why do I feel severely in pain?
I need you, so please heal me, doctor
We adore and fight, love and hatred, go crazy and so on

What should I do, oh my, I'm in pain
You are the only one who can heal me
Please come back to me

Hey Dr. BeBe (Could die for you)
If I have only you BeBe (Could go crazy for you)
Stuck inside your wall, struggle to escape, get hurt
But can't get away from the echo

Love, Fall, Hurt and Crazy Again & again
Love, Fall, Hurt and Crazy Love is
Love, Fall, Hurt and Crazy Hey Dr. BeBe
Save me BeBe

(Please, with me)
Clouds like picture Calling of the blue dream
(Stay with me)
Melody for you who is hiding in the dark

Yo Don't make an excuse
Yeah because of the wind
My nostalgia for you is getting stronger and I go crazy
Oh I awake when you call my name

Hey Dr. BeBe (Could die for you)
If I have only you BeBe (Could go crazy for you)
Stuck inside your wall, struggle to escape, get hurt
But can't get away from the echo

Love, Fall, Hurt and Crazy Again & again
Love, Fall, Hurt and Crazy Love is
Love, Fall, Hurt and Crazy Hey Dr. BeBe
Save me BeBe
