I think I'm a bit tired
Meaningless phone calls, affectionless voices
It's awkward for no reason
So I'm covering my mouth
Let's think about it
How was it before? (hot)
If you start complaining now
Any feelings remaining will go away (sorry)
I'm sorry to your parents
But we can't keep going forward (you know)
At this rate, for both of us
Our hot youth is going to a waste
Let's end it

I don't wanna end it but I don't wanna continue
It's not easy to say let's break up
Did I get too comfortable? Or did I change?
I don't even hate you now
Are we okay like this?

We're lukewarm right now
We're lukewarm right now
We're lukewarm right now

At one time, we were 100 degrees
So hot (hot)
Couldn't see how it could turn off
But why am I longing for that now?
Maybe I was a bit cold
Time to raise the lukewarm relationship
But it's too long
I think the end is here
I don't wanna become any colder

I'm getting tired of this boredom
Every day, it's cooling more
I know but I can't say anything
So I'm just ignoring it, closing my eyes

I don't wanna end it but I don't wanna continue
It's not easy to say let's break up
Did I get too comfortable? Or did I change?
I don't even hate you now
Are we okay like this?

We're lukewarm right now
We're lukewarm right now

We're lukewarm right now

I can't fall asleep, I'm in bed
I thought about the past, present and future
The scent and memories remain, so it becomes heavy
Because it was our love

I don't know
How we came to be this way
Maybe it's better that it's cold

Along with all the excuses
My heart has gotten cold
Did I get too comfortable? Or did I change?
I don't think we can be happy
Is this the end?

We're lukewarm right now
We're lukewarm right now
We're lukewarm right now
