□□□ □□□ □ □□ □□□

I only had you, I only had you

I didn't have anyone else, I was alone
I'm already broken, I can't help it
If it's not you
I don't need no doctor
Someone teach me, someone please save me
I have no hope for life anymore

I only had you
Every night, I scold myself
It's my fault that I didn't know you
Every night, I dream of dancing with you
What should I do when I wake up?
What's the use, I can't wake up

If this is fate, if I accept it
Time would pass
You as you and me as me
We will both life

I left you to breathe
But now I can't breathe
While I was tied up with your chains
I breathe but I'm underwater
Can't you come back?

There's no such thing as love
If it's not you
Because I'm such a bad guy
I forgot how precious you were
There's no such thing as love
If it's not you, there isn't
My heart is already hurt
If it's not you, no one can fix it

Nothing but you you you
Nothing but you you you
Nothing but you you you
Nothing but you you you

The dazzling you, why aren't you by my side?
I tried to act sorry but it wasn't enough
Wait, wait, give me more of a sign
I hate myself for not being able to do anything

I left you to breathe
But now I can't breathe
I'm sighing
In order to live
Won't you give me one more chance?

There's no such thing as love
If it's not you
Because I'm such a bad guy
I forgot how precious you were
There's no such thing as love
If it's not you, there isn't
My heart is already hurt
If it's not you, no one can fix it

Nothing but you you you
I'm suffocating
Nothing but you you you
Say no no I only have you

Nothing but you you you
No more more please turn back time
Nothing but you you you
Oh oh

Again today, I'm leaving behind the night
I wake up but it's the same, let me know
Where did it go wrong?
Feels like it's all my fault

I'm going back to the beginning
Please go back again
Because I'm such a bad guy
I forgot how precious you were
There's no such thing as love
If it's not you, there isn't
My heart is already hurt
If it's not you, no one can fix it

Nothing but you you you
Nothing but you you you
Nothing but you you you
Nothing but you you you

I only had you, I only had you
I didn't have anyone else, I was alone
