There is a non-stop fight until the end  
(Woah, ooh-woah, woah, ooh-woah)  
Bittersweet, my life  
Surrounded by blinking neon signs  
Oh, oh, hold me tight  
Look up the sky, shooting star  
(Uh, uh) I wanna be like you

Doo-doo-doo-doo-doo  
I drew the trigger at you  
Leaving a step behind, I aim at you again

The trembling in my hand  
And the cold sweat falling down under my feet  
The star reflected in the sculpted moon  
(Uh, uh) I wanna be like you
