You make me smile alright
Like that faraway dream I had every night
Stay by my side
Give me a smile that's sweeter than candy
Smile like a child
Show me your smile

Did you land on the wrong planet? are you allowed to be like this?
Since the moment I first saw you, you're always so pretty
I love you, more than dew
Yes I do, you are clear and pure, baby

Through your blowing hair
Beauty flows down
You're my ideal girl that I've been dreaming of
My heart trembles, you're like treasure
I keep saying that I want you
It's not just because you're pretty
It's because I fell for you at first sight

Like that faraway dream I had every night
Stay by my side
Give me a smile that's sweeter than candy
Smile like a child
Show me your smile

Again today, my eyes stop at you
You're always so pretty
I'm worried about you
If I talk to you first, you'll think I'm too easy
I like you so much that you might hate me
When I think of you, I get frustrated
But I know I'll be the same way again tomorrow

Now I'm ready
My capacity for you is quite big
My speed is faster than anyone else
I'll make sure you won't get hurt, be careful
I like you, if you push me away
I like you because you're rude
I don't need anything else
If only I can be with the flowery you
I'll be a bourgeois

Like that faraway dream I had every night
Stay by my side
Give me a smile that's sweeter than candy
Smile like a child
Show me your smile

Without a word, I'll hug you
Will you trust me?
Baby, this feeling that you have
That's not all, I'll show you more
My heart is only for you

I can do anything for you
Don't break this dream that has no sadness or tears

Like the dazzling star that came to me every day
Always stay by my side
Give me a smile that's sweeter than cake
Romantically smile
Will you come into my arms?
