

Last Days Here

Pentagram

Well these are gonna be
My last days here
I'm wastin' away at times too dear
Somebody hold me
I'm afraid
Buy me a ticket for a place to be saved
It's been too long
Since I seem your face
It's been too long
Since I had a place, yeah
You never seemed to see
Until you had my heart
I'm driftin' by
Just torn apart
Somebody sat near this time it's for real
I'm just what you made me baby
I never heal
And it's been too long since I seen your face
Well it's been too long since I had a place, C'mon
hhnnnn Don't say goodbye baby
it's been too long since I seen your pretty face
And it's been too long since I had a place oh yeah
Yeah Baby
It's been too long, I say it's been,
It's been a little bit, too long
Since I, since I seen your,
Since I seen your pretty face hhhmmmmmm
So cold without you baby
Yeah said I feel a little cold in the night time baby, hey
