

Fellow armysmen, I ask you  
Will you follow me tonight to break their spine  
And reclaim what once was mine?  
Those cravens backstabbed me, deceived me  
Never shall I tolerate their crimes again  
Now let the hunt begin, yeah  
7000 souls, scared and daunted, such a tale of woe  
Not too long ago, this village was a golden scene of hope

Call down the reckoning  
To bring back hope and peace  
Restore our gloria  
To live forever, yeah  
Bring down the dark regime  
I know how to unleash eternal power  
Lead us to order  
I am the Lightbringer!  
I am the Lightbringer!

Now listen  
Fellow warriors, I ask you  
Should my campaign come to an end?  
There's way more to avenge  
15 million souls  
Living in this realm without much hope  
Not too long ago, this kingdom was a golden  
State of hope, yeah, ah

Call down the reckoning  
To bring back hope and peace  
Restore our gloria  
To live forever, yeah  
Bring down the dark regime  
I know how to unleash eternal power  
Lead us to order  
I am the Lightbringer!

Call down the reckoning  
Bring back hope and peace  
Restore our gloria  
To live forever

Call down the reckoning  
To bring back hope and peace  
Restore our gloria  
To live forever  
Bring down the dark regime  
I know how to unleash eternal power  
Lead us to order  
I am the Lightbringer!
