

The Hex Core mk-2

Pentakill

Is that all you've got to say
Cause this is not another game
Not one that you wanna play
Step, by step, by step
Death march to your grave

Is that all you've got to say
Cause this is not another game
Not one that you wanna play
Step, by step, by step
Death march to your grave

There's no one left you can blame
A lonely war dance of pain
Step, by step, by step
Death march to your grave

Is that all you've got to say
Is that all you've got to say

Step, by step, by step
Death march to your grave
