

# Auld Lang Syne

Pentatonix

Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot  
And auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne

And here's a hand my trusty friend  
And give a hand o' thine  
We'll take a cup of kindness yet  
For auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne  
Auld lang syne

Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot  
And auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne
