

## Be Our Guest

Pentatonix

Be our guest  
Be our guest  
Turning 60 is the best  
Tighten up your bow tie round your neck and wear your favorite dress

Twinkling lights  
They're so bright  
It's a very special night  
Look around  
What a crowd  
We are cheerful and quite proud

We will sing  
We will dance  
If you please give us a chance  
And we hope that you'll enjoy our (very best)  
There's no more need to hurry  
Just relax don't worry  
Be our guest  
Be our guest  
Be our guest

Woah...  
Oh...  
Woah...  
(Be our guest)

Be our, be our  
Be our guest  
Be our, be our  
Woah...

Be our, be our  
Be our guest  
Be our, be our  
Oh oh oh oh oh oh

Woah-oh-oh-oh-oh-oh-oh...

(Woah...)  
One by one  
(You showed us) so much fun  
We fill your minds with sights you won't forget  
Tonight you'll prop your feet up  
Cause it's time to eat up  
Be our guest  
Be our guest  
Be our guest  
Please be our guest!
