

Oh, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial

You're so hypnotizing
Could you be the devil
Could you be an angel
Your touch magnetizing
Feels like I am floating
You're from a whole another world
A different dimension
You open my eyes
And I'm ready to go, lead me into the light

Kiss me, ki-ki-kiss me
Infect me with your love and fill me with your poison
Take me, ta-ta-take me
Wanna be a victim, ready for abduction
You're, oh, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial

Mitch: This is transcendental
Oh, another level
Oh, you're my lucky star

Kirstie: I wanna walk on your wavelength
And be there when you vibrate
For you I'd risk it all, ooh

Kiss me, ki-ki-kiss me
Infect me with your love and fill me with your poison
Take me, ta-ta-take me
Wanna be a victim, ready for abduction
You're an alien (You're an alien, touch so foo-)
Your touch so foreign
It's supernatural
Extraterrestrial-al-al-al
