

# Easy Love

Pentatonix

I used to be emotional  
But the ups and downs  
Have brought where you are right now  
I couldn't see a little  
I couldn't breathe a little  
Always another consequence, never confidence  
When I was out with friends  
I couldn't see a little  
They never let me breathe a little

But you came around  
Showed me what love's about  
Thought I'd never wanna settle down  
But with you, I do  
Wish I knew from the start  
Love this good won't fall apart  
Giving up would be the hardest part  
Cause with you

I get that easy easy easy love (Easy love, yeah)  
I get that easy easy easy love (Love)  
You give me that easy easy easy love (Easy easy easy love)  
I get that easy easy easy love (Easy easy love)

I used to lay awake at night  
Thinking "Oh my god, this love ain't right"  
I couldn't breathe a little (Breathe a little)  
They never let me sleep a little  
Now I can't go to sleep for the right reasons  
Cause we're too busy running on every feeling  
Oh no

It's true, you came around

Showed me what love's about  
Thought I'd never wanna settle down  
But with you, I do  
Wish I knew from the start  
Love this good don't fall apart  
Giving up would be the hardest part  
Cause with you

I get that easy easy easy love (Easy love, I get that)  
I get that easy easy easy love (Easy love, I get that)  
You give me that easy easy easy love (Easy love, I get that)  
I get that easy easy easy love (Easy love)  
Easy love  
Easy love  
Easy love, oh  
Easy love, oh oh

It's true, you came around  
Showed me what love's about (love's about)  
Thought I'd never wanna settle down  
But with you, I do  
Wish I knew from the start  
Love this good don't fall apart (Love this good don't fall)

Giving up would be the hardest part  
Cause with you

I got that easy easy easy love (Easy love)  
I get that easy easy easy love (Oh easy love)  
You give me that easy easy easy love (Easy love)  
I get that easy easy easy love (I get that, ooh)

Easy easy easy love (Easy love)  
I get that easy easy easy love
