

Happy Now

Pentatonix

Is it illegal to move on without you, am I allowed to when I'm without you

Is it illegal to dance like I'm about to am I allowed to when I'm without you

I wanna be happy now, I wanna be happy now

Is it OK if I laugh until my chest hurt, wanna remember how to surrender

Is it OK if drop some of the pressure have an adventure, give me the keys

I think I wanna be happy now, I think I wanna be happy now (yeah)

Is it illegal to move on without you, am I allowed to when I'm without you

Is it illegal to dance like I'm about to am I allowed to when I'm without you

I wanna be happy now, I wanna be happy now

Ayy o ayyo o is it illegal to move on?

Ayyo o ayyo is it illegal to move on?

Am I happy now, right now

With or without you, right now

Am I happy now, just me

Me myself and I

Am I, am I

Is it illegal to move on without you, am I allowed to when I'm without you

Is it illegal to dance like I'm about to am I allowed to when I'm without you

I wanna be happy now, I wanna be happy now

I wanna be happy now, I wanna be happy now

Ayy o ayyo o is it illegal to move on?

Ayyo o ayyo is it illegal to move on?

Am I happy now, right now

With or without you, right now

Am I happy now, just me

Me myself and I

Am I, am I

Now, no more holding back, left that in the past

Grateful for the lessons that I learned cause now

Cry because I'm laughing

Fall from all this dancing

All because I know I know I'm happy now

Am I happy now, right now

With or without you, right now

Am I happy now, just me (is it illegal to move on without you)

Me myself and I. (is it illegal to dance like I'm about to)
Am I, am I
