Pentatonix

I should've stayed at home
'Cause now there ain't no letting you go

Am I falling in love with the one that could break my heart?

Welcome to my house
Play that music too loud
Show me what you do now
We don't have to go out

Welcome to
Our house (Our house) in the middle of our street
Our house (Our house) in the middle of our

Our house is a very, very, very fine house
I ain't worried 'bout nothin'
I ain't wearin' na-nada
I'm sittin' pretty, impatient
But I know you gotta

We can work from home, oh-oh, oh-oh (work from home)
We can work from home, oh-oh, oh-oh

If you're gonna be a homebody
We're gonna have a house party
If you wanna be a homebody
We're gonna have a house party
Oh, home, let me come home
Home is wherever I'm with you

Settle down, it'll all be clear (hoo-hoo)
Don't pay no mind to the demons
They fill you with fear (hoo-hoo)
Just know you're not alone
Cause I'm gonna make this place your home

Oh, take me there
Won't you take me there?
Won't you take me home?

Let me go home
I'm just too far from where you are
I wanna come home

Well, I'm going home
Back to the place where I belong (where I belong)
And where your love has always been enough for me
(Been enough for me)

Times have changed and times are strange
Here I come, but I ain't the same (Du du du)
Mama, I'm coming home

I'm on my way
I'm on my way
Home sweet home
