

# If I Ever Fall in Love

Pentatonix

The very first time that I saw your brown eyes  
Your lips said "Hello" and I said "Hi"  
I knew right then you were the one  
But I was caught up in physical attraction  
But to my satisfaction  
Baby, you were more than just a face

And if I ever  
(Ever fall)  
In love again  
(Again)  
I will be sure that the lady is a friend  
And if I ever  
(Ever fall)  
In love so true  
(So true)  
I will be sure that the lady's just like you

I swear the next time she'll be a friend  
If I say that I could be your one and only  
Promise that you'll never leave me lonely  
I just wanna be the one you need, oh baby  
I just wanna be the one to serve you  
Sometimes I feel as if I don't deserve you  
I cherish every moment that we share

And if I ever  
(Ever fall)  
In love again  
(Again)  
I will be sure that the lady is a friend  
And if I ever fall  
(Ever fall)  
In love so true  
(So true)  
I will be sure that the lady's just like you

My friend  
Very next time she'll be my friend  
I need someone who'll be my friend  
Someone who I can believe in  
My friend  
Very next time she'll be my friend  
Someone who I can believe in  
My friend  
Very next time she'll be my friend  
I need someone who  
Someone who I can believe in

(Ever fall)  
In love again  
(Again)  
I will be sure that the lady is a friend  
And if I ever fall  
(Ever fall)  
In love so true  
(True)

I will be sure that the lady's just like you
