

Invincible

Pentatonix

After the sleepless nights
I woke up to the light
I fell a thousand times
Just to get back on my feet

I don't know where I'm going
But I ain't going alone
A million steps before me

They say if you find it in the stars
Feel it in your heart
See it in your dreams
It must be meant to be
Pulls you through the fire
Takes you up so high
That you can see it all
You're invincible

Ooh, ooh, ooh, ooh
You're invincible
Ooh, ooh, ooh, ooh

Reached for the sky above
I dreamed this growing up
Now it's the time for us
My friend, "Mere mitwa"
Our hearts I hear them singing
I feel our spirits soaring
Voices in unison

They say if you find it in the stars
Feel it in your heart
See it in your dreams
It must be meant to be
Pulls you through the fire
Takes you up so high
That you can see it all
You're invincible

Ooh, ooh, ooh, ooh
You're invincible
Ooh, ooh, ooh, ooh

Ma, I heard you pray for me
All your blessings I received
Pa, I feel your sacrifice
Down, down, down, oh my, my, my
Brother, sister, wear your pride
Waiting for this all my life
Nothing's stopping me tonight

They say if you find it in the stars
Feel it in your heart
See it in your dreams
It must be meant to be
Pulls you through the fire
Takes you up so high

That you can see it all
You're invincible

Feel it in your heart

See it in your dreams

Must be meant to be

You're invincible
