

# Just For Now

Pentatonix

Just for now... Just for now...  
Just for now... Just for now...  
Just for now... Just for now...  
Just for now... Just for now...  
Just for now... Just for now...

It's that time of year  
Leave all our hopelessness tears aside  
If just for a little while  
Tears stop right here  
I know we've all had a bumpy ride  
I'm secretly on your side

How did you know?  
It's what I always wanted  
Can never have had too many of these  
Quit kicking me under the table  
I'm trying  
Somebody make her, shut up  
About it  
Can we settle down, please?

It's that time of year  
Leave all our hopelessness tears aside  
If just for a little while  
Tears stop right here  
I know we've all had a bumpy ride  
I'm secretly on your side

Bite. Tongue. Deep. Breaths  
Count to ten. Nod your head

I think something is burning  
Now you've ruined the whole thing  
Muffle the smoke alarm  
Whoever put  
On this music  
You better quick  
Sharp the move it  
Pour me another  
No don't wag your finger at me

That time of year  
Leave all our hopeless tears aside  
If just for a little while  
Tears stop right here  
I know we've all had a bumpy ride  
I'm secretly on your side

Get me outta here [x3]  
Get me outta here [x3]  
Won't you get me outta here  
Get me outta here [x2]  
Get me outta here [x3]

Just for now... Just for now...  
Just for now... Just for now...

Just for now... Just for now...
