

# NSYNC Medley

Pentatonix

Here we go

Here we go one more time, everybody's feeling fine  
Here we go now  
(Hey, hey, hey, here we go, PTX has got the flow)  
Bounce your head to the beat, we've got everything you need  
Here we go now  
(Hey, hey, hey, here we go)  
PTX, we got the flow

Dirty pop

Sick and tired of hearin' all these people talk about  
What's the deal with this pop life and when's it gonna fade out?  
The thing you got to realize, what we doin' is not a trend  
We got the gift of melody, we gonna bring it 'til the end

Do you ever wonder why this music gets you high?  
It takes you on a ride, (hey) feel it when your  
Body starts to rock (body starts to rock)  
Baby, you can't stop (you can't stop)  
And the music's all you got (c'mon now)

It's gonna be me  
Oh no, it's gonna be, gonna be  
You might've been hurt, babe, that ain't no lie  
You've seen them all come and go

I remember you told me (Oh, baby)  
That it made you believe in no man, no cry (cry)  
Maybe that's why  
Every little thing I do (I do)  
Never seems enough for you (for you)  
You don't wanna lose it again  
But I'm not like them  
Maybe we can finally, get to love somebody  
Guess what

It's tearin' up my heart when I'm with you  
But when we are apart, I feel it too (feel it too, no matter)  
And no matter what I do, I feel the pain  
With or without you

Tearin' up my heart and soul (Yeah)  
We're apart I feel it too  
And no matter what I do, I feel the pain  
With or without you

Bye, bye, bye (bye, bye)  
Just hit me with the truth  
Now, [?]  
So give me one good reason baby, come on  
I live for you and me  
And now I really come to see  
That life would be much better once you're gone

I know that I can't take no more, it ain't no lie  
I wanna see you out that door

Bye, bye, bye (bye, bye)  
Don't wanna be a fool for you  
Just another player in your game for two, yeah  
You may hate me but it ain't no lie  
Bye, bye, bye (bye, bye)  
Don't really wanna make it tough  
I just wanna tell you that I've had enough, yeah  
Might sound crazy but it ain't no lie  
Bye, bye, bye (bye, bye, bye, bye, bye, bye)
