

Side

Pentatonix

Oh babe
Used to be on my side
Now you're not on my side
No you're not on my side
And I don't know why
No I don't know why
No I don't know why
You're not on my side
Used to be on my side

Oh my God
I can feel it in the room
Running up the walls we built
Back to back that's me that's you

Ooooooh
I'd open a heart
When a heart is locked and guarded
Ooooh
We're a million miles away from where we started

Oh babe
Used to be on my side
Now you're not on my side
No you're not on my side
And I don't know why
No I don't know why
No I don't know why
You're not on my side
Used to be on my side

Could you be on my side?
A little bit on my side?
Could you be on my side?
A little bit on my side?

Is it wrong
Wanting something that's half gone
Maybe it's perspective
If we try can we see it from another side
Another side
Oh babe
Used to be on my side
Now you're not on my side
No you're not on my side
And I don't know why
No I don't know why
No I don't know why
You're not on my side
Used to be on my side

Could you be on my side?
A little bit on my side?
Could you be on my side?
A little bit on my side?

So if I move closer like that (are you happy where we are?)

Will you move closer like that (you happy where we are?)
So if I move closer like that (are you happy where we are?)
Will you move closer like that (you happy where we are?)

So if I move closer like that (are you happy where we are?)
Will you move closer like that (you happy where we are?)
So if I move closer like that (are you happy where we are?)
Will you move closer like that (you happy where we are?)

Oh babe
Used to be on my side
Now you're not on my side
No you're not on my side
And I don't know why
No I don't know why
No I don't know why
You're not on my side
Used to be on my side

Could you be on my side?
A little bit on my side?
Could you be on my side?
A little bit on my side?

Are you happy where we are?
