

Snowing in Paris

Pentatonix

I'm gonna try it again

La, la, la, la, la, la, la, la
La, la, la, la, la

Un, deux, trois

We ended up in Paris on a picture-perfect evening in December
Remember?
The empty streets of cobblestone
A playground we could call our own
Remember that adventure?

We waltzed along the Seine
Past Pont De Arc and Notre Dame
Then we laid underneath the Eiffel Tower
And right at midnight on the hour

Voilà!
The lights begin to dance like ooh la-la!
You were holding my hand then un, deux, trois
It was just like magic all around us
It was snowing in Paris
Oh, voilà!
Then we begin to dance like ooh la-la!
And it felt like a movie, un, deux, trois
It was just like magic all around us
It was snowing in Paris

We got both our initials on this lock
Left both our hearts forever in France
Singin' our favourite song, La Vie En Rose

We waltzed along Montmartre
Right past the Arc De Triomphe (Oh, baby)
What else could I need
But you and me
At the Champs-Élysées, mon chéri?

Voilà!
The lights begin to dance like ooh la-la!
You were holding my hand then un, deux, trois
It was just like magic all around us
It was snowing in Paris
Oh, voilà!
Then we begin to dance like ooh la-la!
And it felt like a movie, un, deux, trois
It was just like magic all around us
It was snowing in Paris

La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la (Ooh)
La, la, la, la, la, la (La)
La, la, la (Oh)
La, la, la, la, la, la, la, la

Oh, voilà!

The lights begin to dance like ooh la-la!
You were holding my hand then un, deux, trois
It was just like magic all around us
It was snowing in Paris
Oh, voilà!
Then we begin to dance like ooh la-la!
And it felt like a movie, un, deux, trois
It was just like magic all around us
It was snowing in Paris

Snowing in Paris

La, la, la, la, la, la, la, la (Yeah)
La, la, la, la, la, la, la, la
La, la, la, la, la, la, ooh (Ooh, je t'aime, mon chéri amour)
Let it snow
All that you need, baby
Je t'aime, je t'aime
