

Stuck Like Glue

Pentatonix

Absolutely no one who knows me better
No one than that can make me feel so good
How did we stay so long together
Everybody,
Everybody said we never would
And just when I start, to think they're right
That love has died

There you go making my heart beat again
Heart beat again
Heart beat again
There you go making me feel like a kid
Won't you do it, do it one time (one time)
Oh, oh, stuck like glue (stuck like glue)
You and me, baby we're stuck like glue
Oh, oh, stuck like glue (stuck like glue)
You and me, baby we're stuck like glue

Oh, oh, you almost stay out
Got that too stuck together from the ATL up
Oh, oh, feeling kinda sick
Just a spoon full of sugar make it better real quick
Oh, oh, whatcha gonna do with that
Oh, oh, come on over here with that
Sugar sticky sweet stuff
Come on give me that stuff
Everybody wants some
Melodies that get stuck, yeah

There you go making my heart beat again
Heart beat again
Heart beat again
There you go making me feel like a kid
Won't you do it, do it, one time (one time)
One time
