Sweet

Pentatonix

Walking down the street
I got the cloud under my feet
And I'm high on living this life I've been given
'Cause I got you and it's a feeling in my body
And it's a fever in my soul (In my soul)
Happiness floating all inside me (Inside me)
From my head to my toes
Life is

Sweet (Sweet)
Sweet (Sweet)
Sweet (Sweet)
'Cause I got you, my life's sweet

You can't get me down (You can't get me down)
'Cause I'm 10000 feet of the ground
Oh you hate to see, you hate her
I've got no time for you now, goodbye
Too busy soaking in a good vibes
My heart is bursting at the scene
'Cause for the first time in a long time
I know what happiness means
Life is

Sweet (Sweet, sweet baby)
Sweet (Sweet)
Sweet (Sweet)
'Cause I got you, my life's sweet

So sweet 'cause...
'Cause I got you, got no one for no drama
Feeling here up on top of the world
And it's a feeling in my body
And it's a fever in my soul
Happiness floating all inside me
From my head to my toes
Life is sweet

Sweet (Sweet)
Sweet (Sweet baby, sweet)
Sweet (Sweet)
'Cause I got you, my life's sweet
Sweet (Sweet)
Sweet (Sweet)
Sweet (Sweet)
'Cause I got you, my life's sweet
