

You Da One

Pentatonix

You da one that I dream about all-day
You da one that I think about always
You are the one so I make sure I behave
My love is your love, your love is, your love is, your love is

Baby, I love you, I need you here
Give me all the time
Baby, we meant to be
You got me, smiling all the time

'Cause you know how to give me that
You know how to pull me back
When I go runnin', runnin'
Tryin' to get away from loving ya

You know how to love me hard
Guess I know, I'm falling hard
Yep, I'm falling for ya
But there's nothin' wrong with that

You da one that I dream about all-day
You da one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine

You da one that I dream about all-day
You da one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine

And yes I'm kinda crazy
That's what happens baby
When you put it down
You shouldn't've give it to me good like that
Shouldn't've hit it like that, had me yellin' like that
Didn't know you would've had me coming back

You da one that I'm feeling
You da one that I'm loving
Ain't no other, niggas like you
No there's just one, one, one
No baby just one, one, one
I bet you wanna know

You da one that I dream about all-day
You da one that I think about always
You are the one so I make sure I behave
My love is your love, your love is my love

You da one that I dream about all-day
You da one that I think about always
You are the one so I make sure I behave
My love is your love, your love is mine
