

# You're Out

Pentatonix

If anybody else wants to come hang out  
But leaves my house, leaving me in doubt  
You're out  
You're out  
(I gotta say goodbye-bye-bye)  
If anybody else wants to chill with me  
And suddenly I get anxiety  
You're out  
You're out  
(I gotta say goodbye-bye-bye)

You keep going on and on and on  
But not for too long, for too long  
You do what you want, want, want, want  
When you're gone, and you're gone

So, if you want to pull me down, goodbye-by-bye  
If you want to steal my crown then baby, bye-by-bye  
And if you want a good time come by-by-bye  
But if you mess up my vibe, goodbye-by-bye

Shout out to the people who belittled my dreams  
Now I'm on TV, I'll send you the link  
You're out  
You're out  
(I gotta say goodbye-bye-bye)  
And shout out to my ex who thinks she's better than me, huh

Agree to disagree  
You're out (Yo)  
Yeah you're out, yeah  
(I gotta say goodbye-bye-bye)

You keep going on and on and on  
But not for too long, for too long  
You do what you want, want, want, want  
When you're gone, and you're gone

So, if you want to pull me down, goodbye-by-bye  
If you want to steal my crown then baby, bye-by-bye  
And if you want a good time come by-by-bye  
But if you mess up my vibe, goodbye-by-bye

So let 'em know, oh, oh, oh (oh, oh, oh, oh)  
Sing woah, oh, oh, oh (oh, oh, oh oh)

If you want to pull me down, goodbye-by-bye  
If you want to steal my crown then baby, bye-by-bye  
And if you want a good time come by-by-bye  
But if you mess up my vibe, goodbye-by-bye

(Oh oh)  
(Bye-bye-bye)  
(Baby)  
But if you mess up my vibe, goodbye
