

Exhumed

Penumbra

I had failed in love
And my heart was so cold
Did it beat before?
As I had to run to the other side
Then a smile has come to me
He was also hurt by life and disgrace

Words that came in my mind were:
"You belong to me"
Suddenly I realize
What "at first sight" would mean
I would blame my life
He should have come before
I give all my days and nights
To another one
To another one

And I thought for the first time
That there was a way
I didn't know
Now I see
I'm the immoral one
Don't care about this at all
Cause I need to answer to submission

And I really feel my grave has gone
Sure, I'll never get down
