

None Shall Sleep

Pepper Rabbit

Tonight
I'm wasting all away
As all them say I rue the day
I save my days to say
Just to waste away
(Stay Oh-oh -oh)
(Stay Oh-oh -oh)
So

Licking all I hope
Drowning in my shoe
Alive and six star plan
Let thy judgement say
(Stay Oh-oh -oh)
(Stay Oh-oh -oh)
I
Never meant to grow into a shot
I never meant today's into I want
I will wakee wake up before all is lost
None shall sleep

I

I will not grow old
Just do bring that home
I will die before
Life becomes a bore

(Stay Oh-oh -oh)
(Stay Oh-oh -oh)

Falling
I advert that state
Live on by the ocean
Singing like a star
Trying to get home
(Stay Oh-oh -oh)
(Stay Oh-oh -oh)

I

Cannot what to thik around just one
Lies beneath the deadly other car
When should know
None Shall Sleep
