

Dub Rock

Pepper

We're living in a dubrock style
Where the music feels good alright
We're dancing in the dubrock style
A block party in our neighborhood
Oh yeah alright
Now listen

'Cause we are we are we are we are
The melody makers
And we are we are we are we are
The kona town players
And we are we are are we are we are
At your service always

We're moving this feeling along the way
And while I'm still breathing
I'm gonna sing it sing it my way
I'm gonna sing it sing it my way
I'm gonna sing it sing it my way
I'm gonna sing it sing it my way

I'm living in a dubrock style
Where the music feels right
Alright alright
I'm dancing in the dubrock style
At the house party tonight

'Cause we are we are we are we are
The melody makers
And we are we are we are we are
The booty shakers
And we are we are are we are we are
Multi purpose always

Alright alright
We're moving this feeling along the way
And while I'm still breathing
I'm gonna sing it sing it my way
I'm gonna sing it sing it my way
Dubrock
I'm gonna sing it sing it my way
I'm gonna sing it sing it my way
