

## Here in Your Bedroom

Pepper

Here in your bedroom, I can turn my head off  
The less that I feel is the less that I'm on top  
I wonder what you think as we lay here in bed  
I don't know what you're thinking, but that's better for my head

When I wake up tomorrow, will you still feel the same?  
When I wake up tomorrow, will you have changed?

'Cause I still feel the same  
'Cause I still feel the same  
I, I  
'Cause I still feel the same

Here in your bedroom, I can turn my head off  
The less that I feel is the less that I'm on top  
I wonder what you think as we lay here in bed  
I don't know what I'm thinking, but that's better for my head

When I wake up tomorrow, will you still feel the same?  
When I wake up tomorrow, will you have changed?

'Cause I still feel the same  
I still feel the same  
I, I  
'Cause I still feel the same  
I, I  
'Cause I still feel the same  
I, I  
'Cause I still feel the same

Here in your bedroom, I feel safe from the outside  
I can tell that you're changing, but still I feel so high  
I wonder what you think, sometimes I feel so old  
I don't know if it's worth it when I just do what I'm told

When I wake up tomorrow, will you still feel the same?  
And when I wake up tomorrow, will you have changed?

'Cause I still feel the same  
'Cause I still feel the same  
I, I  
'Cause I still feel the same  
I, I  
'Cause I still feel the same  
I, I  
'Cause I still feel the same
