Pepper

Echoes of reggae comin' through my bedroom wall  
Havin' a party up next door, but I'm sittin' here all alone  
Two lovers in the bedroom and the other started to shout  
All I got is this blank stare and that don't carry no clout at all

He's singin' and she's there to lend a hand  
He's seen his name on the marquee, but she will never understand  
Once again, he's leavin' and she's there with a tear in her eye  
Embraces with a warm gesture, it's time, time to say goodbye

Yeah, yeah  
Na-na-na-na-na, whoa, whoa

Ruby's heart ain't beatin' 'cause she knows the feelin' is gone  
She's not the only one leaving, there's somethin' wrong  
Her lover's in the distance, she wipes a tear from her eye  
Ruby's fading out, she disappears, it's time, time to say goodbye
