

## Where I'm Going

Pepper

Roses and rays of light  
James says Murphy's alright  
With me  
All from Braelyn Loree  
Yeah, she's the queen  
And I'm the jester

No one said that growing up would be this hard  
Yeah, life's a gamble and I got some shitty cards

I don't know where I'm going  
But I think I'll get there soon  
Hard times keep me growing  
But I think they'll be done soon

Trauma in my brain got me going insane  
So I'm just trying to hang with my girl Mary Jane  
I feel better when I'm with you  
I feel better

So won't you light up some green  
Pour out some drink  
Yes, I say less  
So I let my heart sing  
I am the son of fire and fury  
All will be right  
There's no time

No one said that growing up would be this hard  
Yeah, life's a gamble and I got some shitty cards  
Some shitty cards

I don't know where I'm going  
But I think I'll get there soon  
Hard times keep me growing  
But I think they'll be done soon

I don't know where I'm going  
But I think I'll get there soon  
Where I'm going
