

Doesn't Make Sense

Per Gessle

I got my honey bunny
She's wearin' me out
She's so good to me
Ooh makes me wanna shout
I try to figure it out
Night after night
What she sees in me
What i'm doin' all right

Ooh ooh ooh wee
There's nowhere else i'd rather be
But it doesn't make sense to me

I got my honey honey
I picked a red rose
She's stickin' her tongue out
Lickin' her nose
I try to figure her out
It might take a while
Hey, she's right here with me
With that cheshire smile

Ooh ooh ooh wee
There's nowhere else i'd rather be
But it doesn't make sense to me
Please don't sing along
Hey, she must've got it wrong
'Cos this doesn't make sense at all
