

Hold on My Heart

Per Gessle

Anybody in this world
Would have stopped believing
Any person in their right mind
Would have stopped breathing
And let it all go
A long time ago

But I say hey, it's alright
You really have a hold on my heart forever
I say hey, it's alright
I really do believe we belong together
I say babe, it's alright
It's alright

Anybody in this world
Who have found the feeling
Any person in this universe
Receiving
What I found was true
What I got from you

Would say hey, it's alright
You really have a hold on my heart forever
I say hey, it's alright
I really do believe we belong together
I say babe, it's alright
It's alright, yeah
(It's alright)
(Yeah baby it's alright)

I say hey, it's alright
You really have a hold on my heart forever
I say hey, it's alright
I really do believe we belong together
I say hey, it's alright
You really have a hold on my heart forever
I say hey, it's alright
I really do believe we belong together

Hey, it's alright
You really have a hold on my heart forever
Hey, it's alright
I really do believe we belong together
Hey, it's alright
You really have a hold on my heart forever
Hey, it's alright
I really do believe we belong together

Hey, it's alright
You really have a hold on my heart forever
Hey, it's alright
I really do believe we belong together
