

I Didn't Mean to Turn You On

Per Gessle

She knows how to do it
She knows how to do it and do it well
I don't tell anybody
I don't know anybody i can tell

She asks if i've missed her
And lets down all that hair
Gazing through the window
Acting like i wasn't there

She says:
- "I, I didn't mean to turn you on
It came out of the sky
I didn't mean to turn you on"

She knows how to do it
She knows how to make my nights go by
I don't tell anybody
By the way, no way that she's your kind

She puts on her raincoat
She wears it inside out
I'm a man on a mission
To find out what she's all about

She says:
- "I, I didn't mean to turn you on
It came out of the sky
I didn't mean to turn you on
To turn you on"
