

# Liberty

Per Gessle

Liberty for everybody  
Liberty for everyone  
Following a higher notion

Liberty for each and everyone

Liberty for everyone  
Liberty for everyone

Peace of mind is what you're after  
Peace of mind is what you need  
Peace of mind is what you hunger  
Lakes and valleys, birds and trees, the sun

Liberté pour tout le monde  
Liberty for everyone

Oh my love, don't you cry

Oh sweet child of mine, don't you cry

Strange, it seems like you and me  
Are floating free against the world  
Sometimes I feel the energy  
Of you and me against the whole wide world

Liberty for everyone  
Liberty for everyone

Oh my love, don't you cry  
Sweet sweet child of mine, don't you cry

Liberty for everyone  
Liberty for everyone

Strange, it seems it's you and me  
You and me against the world
