

## Simple Sound

Per Gessle

You never bother to be cynical  
You made it easy to be beautiful  
You challenged all things possible  
As fire found a silent icicle

A simple sound in the air  
Mahe nana mahe nana  
A simple sound in the air  
Mahe nana nana

I almost thought it might be criminal  
To watch you sleep made me dependable  
Every hour seemed unbreakable  
Every second available

A simple sound in the air  
Mahe nana mahe nana  
Ey, a simple sound in the air  
Mahe nana nana, ey

The look at your face  
While you're dancin  
While you're dancin  
While you're dancin  
You're takin away  
While you're dancin  
Oh oh oh
