

It's All Wrong but It's Alright

Percy Sledge

Hello, are you free tonight?
I like your looks, I love your smile
Could I use you for a while?
Its all wrong but its alright

Amber sunset goes down
My needs are very much alive
Is it okay if I stop by?
Its all wrong but its alright

Its all wrong but its alright
Just close your eyes and hold, hold me tight
Tell me sexy lovin' lies
Its all wrong but its alright

It may be wrong if we make love
But I just need someone so much
And who knows it may last all night
Its all wrong but its alright

Its all wrong but its alright
Just close your eyes and hold, hold me tight
Tell me sexy lovin' lies
Its all wrong but its alright
