

# Sudden Stop

Percy Sledge

Cover Me  
Percy Sledge  
Cover me, cover me  
Spread your precious love all over me  
Oh can't you see the need in me  
Oh cover me, cover me

Hide me, hide me  
Where no other love can find me  
Oh I'm feeling cold, I need you so  
Oh cover me, cover me

Girl, my love for you gets stronger everyday  
Oh, temptation might be waiting round the way  
When I'm lost and I get led astray  
Find me, find me  
Can't stop the little tear that blinds me  
Oh darling, I don't want to lose you  
Oh find me

Stay with me, stay with me  
Baby, make it all the way with me  
Oh everyday and every way  
Stay with me, stay with me

Cover me, cover me  
Spread your precious love all over me  
Oh can't you see the need in me  
Oh cover me, cover me  
(repeat to fade)
