

Big Ed's Used Farms

Pere Ubu

I had a good time
Forgot to thank you for that good time!
In went the good air,
and out went the bad
I like it there
Alive!

I see him everywhere
He looks just like me
Such a happy guy
Just like me
Who can stop that happy guy?

I had a good time
Forgot to thank you for that good time!
I looked back on a day well spent,
and I went to bed with a sense of accomplishment
Beehive!

I see him everywhere
He looks just like me
Such a happy guy
Just like me
Who can stop that happy guy?
"Beetle Man
"Beetle Man
"scutters 'cross the field,
"through waving grass,
"plowing air,
"like a ship he heels"
Who can stop that happy guy?
