

# Cry

Pere Ubu

Cry one time for the man in the moon  
Cry for the old man & the sea  
Cry once for hope  
Cry once for us  
And for the way things turned out to be

Cry for tomorrow  
Cry for today  
Cry for the lives that we've frittered away

Cry one time for the harvester's plight  
Cry for the old man on his knees  
Cry once for all  
And then cry for the dawn of the day neither one of us wanted to see
