Pere Ubu

I don't want you to go
I don't want you to go
A hundred ways that I don't know
I don't want you to go
We'll go to Paris
We'll go to France
See the Eiffel Tower
I'll learn to dance
And every day will be a holiday
Every day will be a holiday

I don't want you to go
I don't want you to go
Happiness will be my goal
I don't want you to go
We'll go out west for to banish sorrow
We'll drive & drive like there's no tomorrow
We'll see the sights
We'll walk the walks
The mostly thing is we'll have to talk
And every day will be a holiday
Everyday will be a holiday
Everyday will be a holiday
I know you know but I wanted to say,
Every day will be a holiday
