

Silent Spring

Pere Ubu

Follow me into town.
Follow me into town.
Follow me into town.
You don't know where we're going.
(That's where we're going!)

Follow me as far as this.
That's all you need to know,
all you'll need to know.
(That's where we're going!)

Follow me into town.
You don't know where we're going.
Follow me into town.
You don't know where we're going.
(That's where we're going!)
