

## Why Go It Alone?

Pere Ubu

I never know what to say to you  
But if tears were words  
And pigs could fly...  
Darlin, I'd know

Why go it alone?

I try to speak  
And the waves roll in  
I'm like to drown  
And the waves roll in  
I'm not aware  
And the waves roll in  
Another night  
And the when waves roll in

Why go it alone?

A couple times last week  
I tried hard to sp...k  
A couple times a week  
I might know how to speak

Why go it alone?

I never know what to say to you  
But if tears were words  
And pigs could fly...  
Darlin, I'd know

Why go it alone?
