

## Borrowed Light

Perfume Genius

No, God  
Not this time  
No satellite

Just be here, Jamie  
Just let that old thing die

No sun  
Hangs outside  
Just borrowed light

Now match my breathing  
Now rest your hand in mine

I thought the sea would make some pattern known  
And swim us safely home  
But there's no secret  
Just an undertow
