

Highway I'm screaming  
They took my phone  
Halfway to Jason's  
I think but don't know  
I cut my arm  
It's all over my coat  
First car to stop  
Just took one look and drove

Hellbent, phoneless  
Belligerent, Aquarius  
Hellbent, phoneless  
Belligerent, Aquarius  
It's happened again  
It's still happening

Next car to stop  
I'll keep that story close  
It wasn't a nightmare  
It's just how it goes  
If I make it to Jason's  
And put on a show  
Maybe he'll soften  
And give me a loan

Hellbent, phoneless  
Belligerent, Aquarius  
Hellbent, phoneless  
Belligerent, Aquarius  
It happened again  
It's still happening
