

## Teeth

Perfume Genius

Kept in quiet  
Held from the light  
I grieve time  
Lost to wildness

What images return to me?  
What images return to me?  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Bowl of lemons  
My silk and fine array  
A fading garland

A skull set on a plate  
What images return to me?  
What images return to me?
